MOBILITIES - TOPICS

Ecological activities at school

Ecological behaviour of people

Woods and the environment

Water resources - drinking water

Trees and woods in different countries

Nuclear energy, plants - accidents

Air pollution and public transport

Waste and rubbish - recycling

Alternative sources of energy

Water usage - questionnaire, results

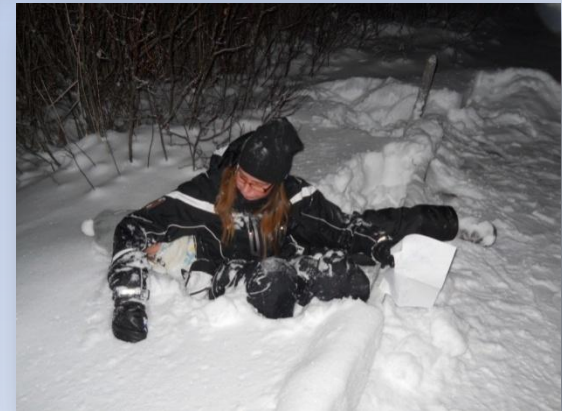

Ecological clubs at schools

GERMANY - Regensburg

Working on the programme and logo of the Green Way Team - only hardworking teachers.

FINLAND - Liminka

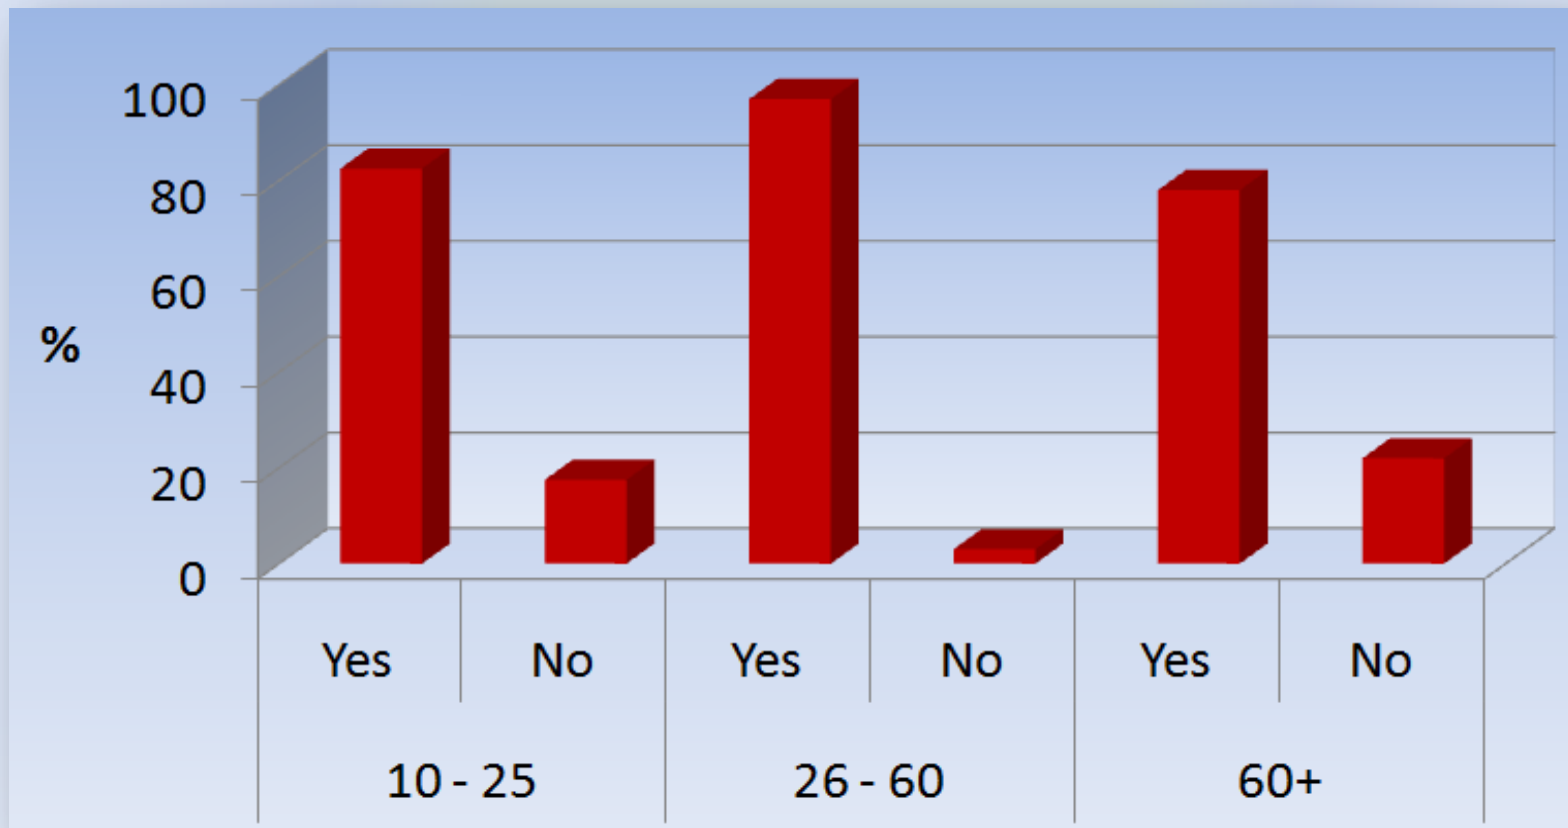

Sports activities and hardening in the snow and water in Finland.

ECOLOGICAL BEHAVIOUR

Some of the results from the questionnaire:

Do you separate your household rubbish?

QUESTIONNAIRE - evaluation

Most of the people are well-informed about ecology.

Most of the people are eco-friendly to the environment.

The best ecological behaviour:

☐ **middle-aged people (26-60) 79.5%**

☐ **elder people (over 60) 70 %**

☐ **teenagers and young people 68.5%**

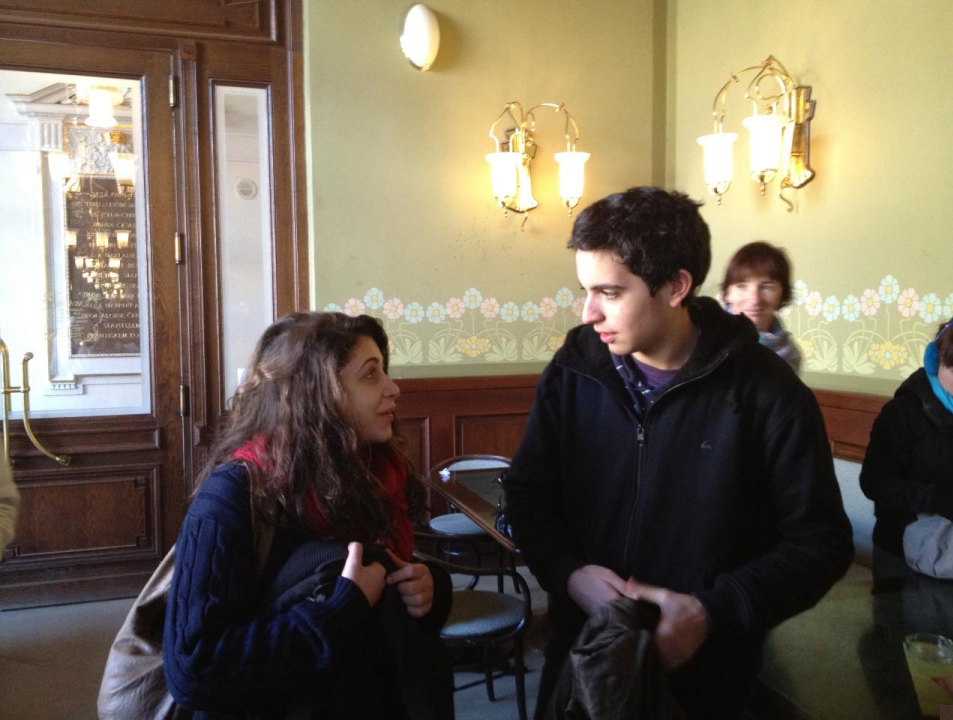

THE UK – Grantham I

**Woods, waste, recycling in Grantham
and Robin Hood in Nottingham.**

**Photos by Krystof
Janouskovec**

**Best wishes
to all the members and friends
of the Green Way Team.**

Miguel: Hey Anna do you know that Justin Bieber died

Anna: Oh my god, what happened?

Miguel: HAHA I'm kidding!

Anna: Oh it relieved me...

**Oh sorry Rui, but
I don't love you...**

Yup yup... girls from whole Europe love me...

**My new English bro wants
to became a new agent**

007 😊

**Here he was showing me
one of those professional
faces...**

PORTUGAL - Fundao

Problems with drinking water?

PORTUGAL - Fundao

**Friendly people - a lot of food and fun
at Maria's and Ana's houses.**

SPAIN - Zamora

**Beautiful city and region, nice people.
We made lots of snaps.**

SPAIN from Lenka and Veronika

We were a little bit afraid before travelling to Zamora - it was a very long journey....

SPAIN - ZAMORA

**.... but we were welcomed by sunny weather
and nice Spanish people....**

SPAIN – Duero River

**...we had lots of interesting experiences,
adventures and new friends.**

SPAIN - MADRID - ZAMORA

Just after coming to Madrid, the capital city, we started to explore the country...

SPAIN - ZAMORA

**We were
only 2 days
in Zamora
and we got
to the town
hall
plenary.**

SPAIN - WINE IN TORO CITY

**We also tasted
Spanish wine.
Excellent, high
quality.**

GREETINGS

from Lenka and Veronika

These beautiful days went on very fast and we had to go home again.

CZECH REPUBLIC - Pilsen

The sightseeing tour in Prague had to be very fast.

**Very cold days in Pilsen and Prague.
Pleasant temperatures in the brewery cellars.**

**“Warm” welcoming
in the Czech Republic**

**The first
attempt to make
jokes...**

**...worked no more
after an hour
walking through
the city centre
in -9°C.**

Pilsner Brewery **Tour...**

...and a lively discussion:

**“How do you say
‘Cheers’ in Finish,
Portuguese, Spanish,
Czech, German...?”**

“Kippis!”

“Saude!”

“Salud!”

“Na zdraví!”

“Prost!”

Trying to remember how to create a graph.

We should have studied harder 😊

**Having a tram stop
right in front of the
town hall.**

What a privilege 😊

**But what was the
most important –
we've become**

FRIENDS!

**Petra
Vaňková**

CZECH REPUBLIC - QUIZ

Pilsner Urquell Brewery

CZECH REPUBLIC - QUIZ

City Hall

Jewish Synagogue

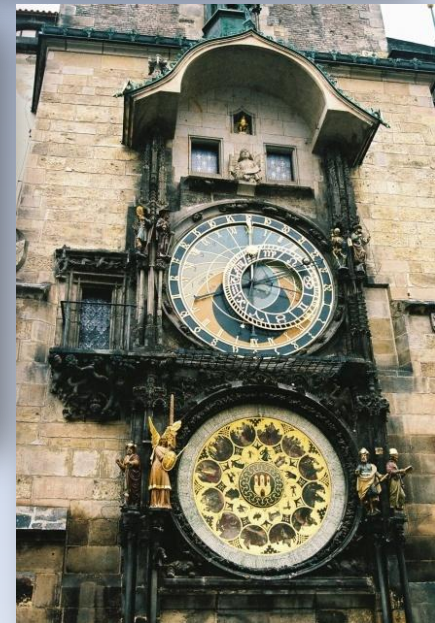

CZECH REPUBLIC - QUIZ

Old Town Square

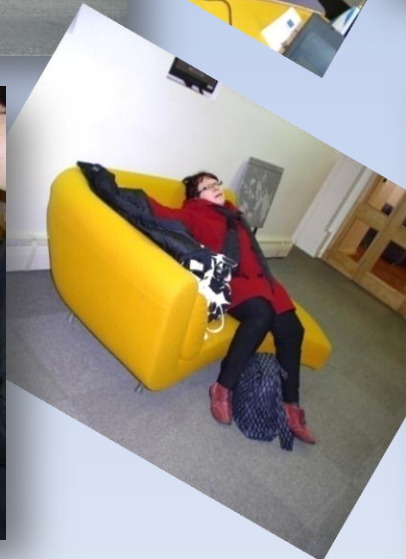

Prague Castle
Charles Bridge

Astronomical Clock

THE UK – Grantham II

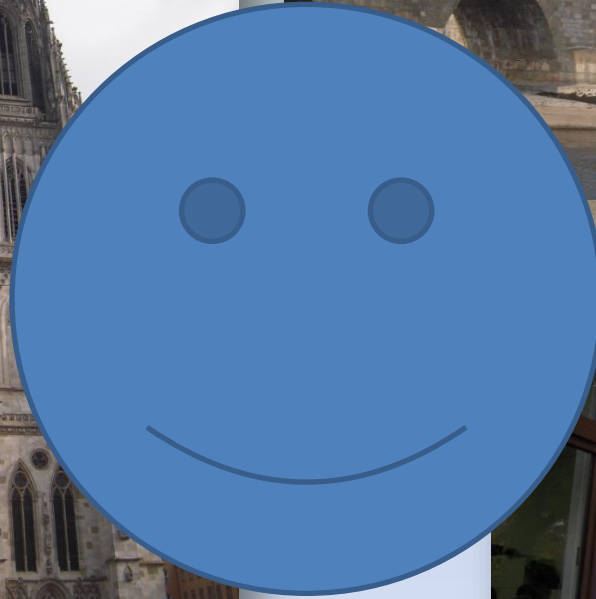

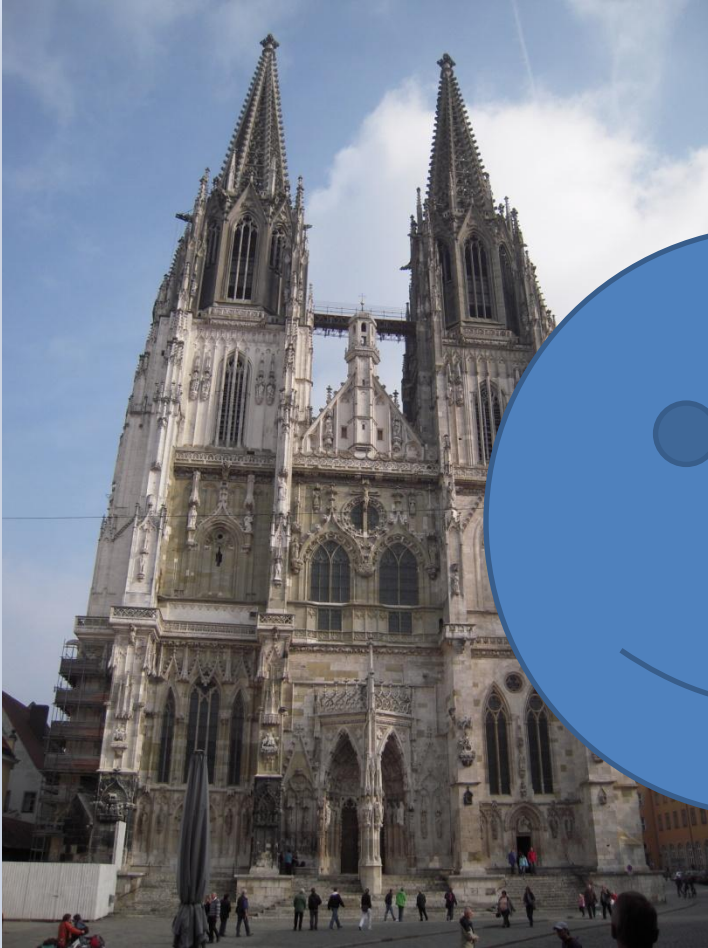

Hard work on the book of the Project Green Way 39

THE UK - Grantham II

**Welcoming at the Town Hall
in Grantham**

GERMANY – Regensburg again

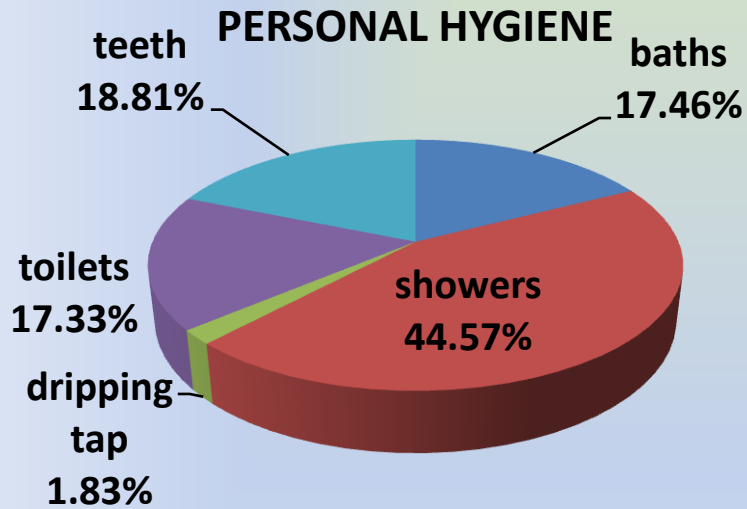

**Final meeting of all the teams.
Teachers and students together for the last time.**

Work and entertainment

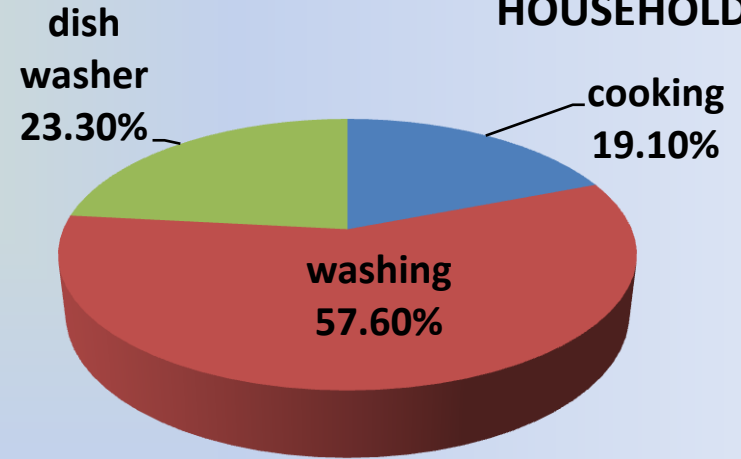

WATER PROJECT

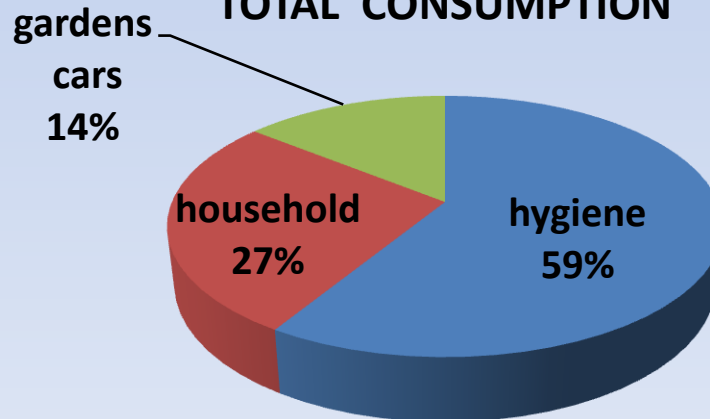

PERSONAL HYGIENE

HOUSEHOLD

TOTAL CONSUMPTION

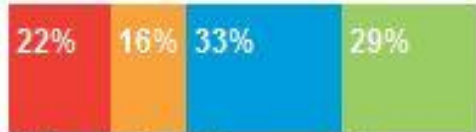

CARBON FOOTPRINT

You're living as if we had **2.59 planets**

Your footprint is
2.59 planets

food travel home stuff

We've also calculated your
carbon footprint, which
is **10.31 tonnes per annum**

**EVERYBODY CAN DO SOMETHING TO
HELP THE ENVIRONMENT AND BE
GREENER**
